"SM101, A Realistic Introduction, Second Edition" by Jay Wiseman is what I consider to be the best book for newcomers to BDSM and those who want additional information about things they haven't yet tried or understanding terms and techniques that they may not be familiar with. It goes by many names: bondage and discipline, dominance and submission, sadomasochism, and more. In Jay Wiseman's SM 101, the long-taboo subject of consensual sadomasochism is accurately, insightfully presented in the context of adult human sexuality, experience and tradition for the interested non-specialist general reader.
