2003 JAGUAR IN LIMP MODE AFTER FREEWAY 80 MPH - Hi, My 2003 JAGUAR XTYPE 2.5 V6 AUTOMATIC, went into limp mode while i was going 80 mph on the freeway. ...this exam includes some parts all of the quizzes i offer but you may purchase separately if desired. [I had rust in a motorcycle tank. I used Apple Cider Vinegar to remove the rust and immediately rinsed with distilled water mixed with 3 tablespoons of Baking soda to neutralize the acid from the Vinegar.
