

# Download Taking Leave Of Your Home

If you're covered by a registered agreement, check the terms of your agreement for information about taking leave in advance or excessive leave. Taking parental leave. There are different rules about when an employee can take unpaid parental leave for the birth or adoption of a child. This depends on whether: Employees only need a fit note from a doctor after 7 days off work sick. If they are ill just before or during their holiday, they can take it as sick leave instead. The Family and Medical Leave Act, or FMLA, provides important rights to employees who need to take family or medical leave -- that is, time off from a job in order to attend to personal and family needs.
