1560: Elizabeth Bathory is born into one of the oldest and wealthiest families in Transylvania. Her family had many powerful relatives -- a cardinal, princes, and a cousin who was prime minister of Hungary are among these relatives. Interesting story, she was certainly a little "touched in the head" and her end was appropriate but she was a horrific person, she would be considered a sexual predator and a sadist in this day and age. The influence of Countess Elizabeth Báthory in popular culture has been notable from the 18th century to the present day. Since her death, various myths and legends surrounding her story have preserved her as a prominent figure in folklore, literature, music, film, games and toys.
