

Download The Dark Griffin Fallen Moon 1 Kj Taylor

The Dark Griffin is a story about a griffin and a human. The griffin has an unfortunately difficult life, fighting to survive from the time it's born. I was a bit surprised when I started reading, actually, that the first two chapters are told entirely from the point of view of griffins with humans barely featuring on the periphery. Taylor pulled it off, however. In a section that had the potential to feel like a drawn-out prologue, I was captivated the entire time.
