Natural phenomena, revolutionary inventions, scientific facts, and the most up-to-date questions are all explained in detailed text that is complemented by visually arresting graphics. All leaders are constrained by geography. Their choices are limited by mountains, rivers, seas and concrete. Yes, to follow world events you need to understand people, ideas and movements – but if you don't know geography, you'll never have the full picture. Even if you've talked to your kids about screen-time limits and responsible online behavior it's still really tough to manage what they do when you're not there (and even when you are).
