

Download The Trouble With Mini Cows

In the small town of Anacortes, mini cows can be big trouble. Tessa Calhoun has gone with the flow her entire life. At thirty she feels stuck in a rut and ready to make some changes. Then her grandmother goes missing and it's up to Tess to deal with a law-breaking heard of miniature dairy cows. Attorney Nate Hale has had enough. He needs the cows to go away, but he'd rather like Tess to stick around. I soon realized, though, it wasn't so much that she let her mother boss her as that she truly cared about her family, including her missing grandmother. Tess wants to do right by her grandmother ... and the mini cows. I mean the many cows. Wait. The many mini cows. Then there's Nate, the city attorney, who wants the cows gone. eBook Shop: Fidalgo Island: The Trouble With Mini Cows Fidalgo Island, #1 von Juliet Chase als Download. Jetzt eBook herunterladen & mit Ihrem Tablet oder eBook Reader lesen. Apparently there is such a thing as mini cows, who knew? This is a story about Tessa's grandma running away when an attorney tried to remove her mini cows from her.
