

Download The World Of Norm 5 May Be Contagious

The fourth hilarious title in the award-winning, laugh-out-loud series, The World of Norm. Perfect for fans of Tom Gates and Diary of a Wimpy Kid. Finland has vastly improved in reading, math and science literacy over the past decade in large part because its teachers are trusted to do whatever it takes to turn young lives around. For example, although students often become bored in class during a long, dry lecture by a disinteresting professor, they rarely walk out in protest. The following year, Mr. Norm decided to go for more and build a 440-powered Dart. Starting with a new '68 Dart 383 GTS, by the end of next day the conversion was completed.
