The One Piece Toilet by Waterridge is a high efficiency toilet with elongated bowl and dual flush. A higher ADA height of 17" seat will make you more comfortable. The WaterRidge One-Piece Dual Flush Toilet is a great product! A similar product on Amazon and by well know companies cost \$385.00-\$450.00. I called Water Ridge Customer Care (1.866.789-2273) and spoke to a representative immediately. They told me these toilets have a 5 year warranty. I ask and got several extra parts just to have on hand at no charge. Part are not hard to get. The toilets I ...There seems to be differing opinions on this thing. The one I bought is the Yurko series, two-piece made by WaterRidge. I really want to like this toilet, but I may not be keeping it. The other toilet option we spotted at the store was the Water Ridge 1-Piece Elongated Toilet. After reviewing the specs, it seems that this toilet has only 2 features that are different from the Water Ridge Dual Flush Toilet.
