

# Download What The Dormouse Said Lessons For Grown Ups From Children

However, children's literature often contains universal truths that can benefit readers of all ages. What the Dormouse Said: Lessons for Grown-ups from Children's Books, is a charming collection of literary quotations. Amy Gash first became interested in children's books after the birth of her son. What the Dormouse Said is a terrific resource for anyone who loves children's literature or benefits from a little wisdom and wit...and that include everyone! It is also a great tribute to the writing talents of children's authors. This attractive little treasure is my gift of choice for the holidays, I am giving it to teachers and anyone I know who works with children or is young at heart. The selections are diverse, well-organized and just plain fun to read.30 review for What the Dormouse Said: Lessons for Grown-ups from Children's Books 5 out of 5 Ruth – Mar 22, 2008This item: What the Dormouse Said: Lessons for Grown-ups from Children's Books Set up a giveaway There's a problem loading this menu right now.
