I use Wordly Wise with my daughter. The curriculum introduces new vocabulary words each lesson and gives a good definition on the words. There is then a series of tests, some multiple choice, some using the words in a sentence. In Wordly Wise 3000 Book 5, each 15-word lesson begins with an alphabetized Word List that gives pronunciations, parts of speech, and concise definitions, and uses each word in a sentence. BookShark's Level 4 All-Subject Package introduces the second half of American history beginning with the 1850's and ending in the modern era. This page shows ALL of our current GroupBuys for math curriculum.
